

*A few words from
Lorraine McRae
another member of
our church council*

“Jesus loves me, this I know”

The beautiful truth that has blessed my life, guided me through Sunday School, R.E and Youth groups, encouraged me to believe that God would heal me from Polio, and he did!

I've taught little children that Jesus loves them. I have been part of many Bible studies, and led many. I was challenged by the Minister to study to become an Elder in the church, so amazing! More amazing God moments, going to Emmaus, coming home with my heart full of the love and truth shared. Kid's Hope and being invited to study for Hospital Chaplaincy, what a challenge, but oh so rewarding! Such a privilege to serve God in the midst of sickness and pain and even death, telling others what I have always known -

“Jesus loves me (you) this I know”

My heart is full of the love of the Lord.

God's faithfulness to me? His call on my life, my loving family, my wonderful Alan, my precious son Christopher, my friends, and the love shared with the Pastoral Care Team and the Church Family as a whole.

Yes “Jesus loves me, this I know”
