

Pam Ganderton a member of Church Council

I grew up on a farm in the country just south of Coffs Harbour. We had RE at school but did not have the opportunity to attend 'regular' Church and Sunday School, although for a few years a Pastor from a neighbouring village drove to our area and collected the children of a few families and took us to the village for Christian teaching, about once a month.

In my early married life we moved about a bit before settling here on the Coast, living at South Tweed Heads, Tugun, Elanora & now at Palm Beach. We were irregular church attendees with the children attending Sunday School at Coolangatta. We began attending Elanora and after Max died I was supported with the love and care of this wonderful Church community. I enjoy the bible studies and being involved on the council and in the many activities of this church.

My faith has brought me through some difficult times in my life so I know God is always with me as I continue my journey of learning and understanding and getting to really know Jesus. I look forward to what lies ahead.
