**School
Chaplaincy
and
Kids Hope**

I was born in Canberra and I was baptised, confirmed in my faith, and married at St. Andrew's Presbyterian Church where all of my family worshipped. I was involved with the Presbyterian Fellowship of Australia as a leader and served as the National Secretary of the PFA.

My husband Ray and I moved to the Gold Coast in 1981 and I found the Uniting Church worshipping then at Currumbin State School. I volunteered to be part of the office team when the Parish Office was at Burleigh Heads Uniting Church. As the Elanora Uniting Church has evolved on its present site I have been encouraged in my spiritual growth through many of the outreach activities into the local community and the many wonderful bible studies including the Alpha Course. All available with great leaders in our church.

I feel privileged to have been part of Church Council, Property Committee and the Office Team and the Garden Club over many years.

I have been involved as part of a wonderful team with the Kids Hope Programme at Elanora Primary School over the past 13 years. Chaplaincy in the Elanora High School and Primary schools is also a big part of my retirement life.

Welcome to

As we prepare to welcome visitors to our church next weekend, we all need to show a warm welcome to everyone!

A warm and sincere welcome makes all the difference...Nicky Gumbel, vicar of Holy Trinity Brompton church in London, tells a story that illustrates this...

“Aged thirty-three, Barbara Clapham came to live in London. She decided she was going to look for a church. One Sunday morning, she arrived at HTB. The young woman who was welcoming people at the door smiled at her and asked her name. Because of that smile, Barbara came back the following week. When she walked in the next Sunday the same person said, ‘Hello Barbara.’

Because the person on the door remembered her name, she decided that she was going to come back every Sunday. That was in 1947. From then on Barbara came almost every Sunday until she died, soon after celebrating her 100th birthday. I wonder whether the young woman on the door had any idea of the difference she made by remembering Barbara’s name.”

The logo of the Uniting Church in Australia (UCA) shows the cross of Jesus Christ, in its light and love, standing over a darkened world - redeeming it through grace and truth.

By that cross people are bound to Christ and each other. The Holy Spirit, symbolised by the dove with the wings of flame, empowers and guides us to be witnesses to Jesus Christ.

The wide U at the bottom points to the fact that we are uniting; as a semicircle it also reminds us that the renewing of both church and world are as yet incomplete.

The logo symbolises something of the vision we have glimpsed and the hopes we hold for the future. In particular it reminds us:

- that the gospel message is central in all that we seek to do;
- of the need for constant reform and renewal;
- of our commitment to worship, witness and service.
