Today our focus is on

YOUTH

Today we welcome our guest preacher Ms Hannah Ramsay who is a 20 year old, vibrant and passionate young person who worships at Newlife Robina. We also welcome our Elanora High School Chaplains Kayla Wolski and Todd Chamberlain who will be updating us on the issues our local young people are facing and what initiatives they are implementing to assist and support their whole beings.

Andrew and I are currently on a week's annual leave and will be back on Tuesday just in time for our Spring Fair and Flower Show. We are looking forward to being part of this event as we have heard so much about it.

New season of the year... new season of our church... God is doing something new here, perhaps birthing something new into our lives. This is an exciting time to be part of our congregation. For the remainder of the year we will be establishing our ministry teams and preparing for what is next. What is God calling us to do and be now for our community? As we enjoy this festive day may we also enjoy the fruits of God's love for us to share with others.

SCHOOL CHAPLAINCY – ELANORA HIGH SCHOOL

"The Local Chaplaincy Committee has recently acknowledged and celebrated ten years of support for Chaplains at the Elanora High School with the support, both financially and with prayer, of our church, particularly Adult Fellowship. Thank you members of Elanora Uniting Church."

"I am 20 years old and have been serving in youth ministry at Newlife Church for the past three years, as well as other areas within the church. I believe I have been called into High School teaching, so I am currently studying secondary education at Christian Heritage College in Brisbane. I have such a longing to see all people find community, belonging, and to know Jesus. I am deeply passionate about discipleship and communicating the gospel. My heart is for young people and I believe they offer so much hope to the world. I find myself running as a hobby, and love sampling different teas!"
