

Congregational Update - COVID 19

With this Newsletter, you will receive a copy of a Congregational Update regarding COVID and a Pastoral Letter from the Moderator. The update will give you a good idea of the complexity of the situation. Our church council is working through the issues that these requirements highlight.

22nd June will mark the 43rd anniversary of the formal union in 1977 of the Congregational, Methodist and Presbyterian Churches. So, for Sunday 21st June, Rev David Baker, the Moderator of the Uniting Church in Queensland, will be recording a service which will be available online. Rev Catherine will be not be recording a service for Sunday 21st June.

Email PRAYER CHAIN

Our prayer chain is a fast and efficient way of sending out prayer requests from members of our community. This is so important in the current situation.

If you would like to join the prayer chain or if you have a prayer request, please contact Lorraine 0410 752 028 or Mary 0418 764 121 or send an email.

Would you like to send your wishes to Kristin Abernethy?

Over the years, Kristin has sent scores of cards to many in our church family, for our birthdays, bereavements, Christmas, etc. and now she is very unwell and in need of our love, support, and encouragement.

If you would like to sign the card for Kristin, here's how you can do it:

- + Drop in to the office this Monday (15th) – Shirley Lord will have the card
- + Ring Shirley on Monday morning with your message for the card 5534 5817
- + Email me with your message for the card by Monday evening
