

Elanora State High School Chaplaincy (ESHS)

Elanora State High School Chaplaincy Service provides a chaplain for 5 days a week, being two chaplains working approx. 2.5 days per week. The chaplain service is well utilized by both students and teachers/staff at the high school.

Here is a breakdown of **Income** and **Expenses**: -

Expenses	Wages	\$72,320.00pa	
	Chappy Room	500.00pa	
	Student exp	200.00pa	
	Education exp	500.00pa	Total \$73,520.00pa

Income	Government grant	\$20,280.00pa	
	Direct giving	4,700.00pa	Total \$24,980.00pa

Deficit \$48,540.00pa

The **Deficit** is made up from donations from 4 local churches, Chaplaincy dinner fundraiser, Chaplaincy committee catering fundraising, and other sundry donations.

In a normal year this leaves **\$48,540pa** or **\$4,045.00pm** to raise.

However, we acknowledge there will be little from our local churches, no chaplaincy dinner, and no catering this year due to Covid 19 restrictions. Therefore, when Job Keeper expires, we will utilize reserve funds very quickly.

We implore you to give to Chaplaincy so that the Chaplains can continue working with the young and vulnerable at ESHS. Your giving can be transacted in 3 ways
