

**WELCOME TO WORSHIP at
ELANORA UNITING CHURCH**

SUNDAY 14th November 2021

Rev Catherine Solomon

EDUCATION SUNDAY

READING: Mark 13:1-8

In Mark 13 we read of destruction, rebellion, turmoil, false teachers. When we listen to Jesus teaching his disciples, we are reminded of what is important - God's kingdom here on earth as it is in heaven. We are part of the Salvation Story where even in the turmoil, the suffering, the fake news, COVID changes, climate change, there is hope. A hope that is not wishful thinking, but a hope full of expectation in God's promises.

On Sunday at the 9am service we will have the opportunity to ask ourselves what is important? Where have we got distracted or misguided and how have we moved the priority of God's kingdom further down our list?

At the 10:30am young people's service, we will look at the concept of hope and what it means for us today in a rapidly changing world.
