

From Chappy Rob.

Hi Church family. Myself along with other Local State School Chaplains are once again organising and running a Christian Day Camp this year. Please see flyer below and spread the word

With the kind permission of our Church this camp will be held on our grounds

The name of the Camp is **Fun n Sun**

How can people help you???

We are obviously asking for Prayer for the running of the Camp but also the lead up to it. Asking God that he allows this to happen and brings us the students to attend. We ask for prayer around the organisation of the camp and the right volunteers to get on board.

We are also looking for sponsorship for any student that may need financial support to attend.

It has come upon us quickly so please contact me if you are after any information.

I am excited to be able to share the Gospel with some kids that may not have the opportunity to hear it elsewhere
