Currumbin Valley Church Service - first and third Sundays 5pm

**Welcome to all our visitors today!
We invite you to join us for morning tea
and fellowship in the Hall after the service.**

Reflection from our Minister

“Daughter, your faith has healed you, go in peace”

In the story of Jesus and his interactions with Jairus and the woman with the bleeding condition, we saw an invitation to everyone to come to Jesus. We also saw that in the conversation Jesus invited both people into trust Jesus. While Jarius was told his daughter had died, Jesus walked with him speaking words of life. The woman was confirmed healed and would need to hold onto those words when she re-entered her society and normal bodily functions. Each day we can be presented with challenges, and it is a step of faith to trust in what God says over the crowd. We trust God walks with us, and trust that on the cross Jesus has dealt with our sin and we now walk as loved family of God. Let us continue to pray for our world, particularly those who are struggling with flooding and earthquake and for those who are at the face of challenges.

God bless. Rebekah

Please pray for numbers attending, the leaders, those supporting the event through activities and catering, and the children who will experience the love of God.

Lord Help me

Dear Heavenly Father,
So far, today, I've done all right. I haven't gossiped or lost my temper. I haven't been greedy, grumpy, nasty, or self centered. I'm really happy about that so far. But in a few minutes I'm going to be getting out of bed and then I'll be needing quite a lot of help. Thank you!
Amen

The 40-day season of Lent invites us to press pause. To slow down. To follow Jesus into the stillness of creation. It's a time to give our full attention to God, to live more simply and to act generously out of love for our neighbours.
